So they all went home for the long vacation, and if the jumping rope doesn't pull a wheel off the baby carriage to make a roller skate for the angle worm, I'll tell you next about Uncle Wiggily's Fourth of July.

## MORAN HELD FOR APPEARANCE IN SUPERIOR COURT

Octaviano Moran was held to answer to superior court on charges of having had immoral relations with a girl, aged 17, following a hearing held before Judge Emerson in Calexico yesterday. He was released under \$1,000 cash bail for appearance before Judge A. C. Finney for arraignment. He will probably be arraigned next Friday morning.

The girl in the case charged that she was drugged by Moran in his first attack upon her. She said that she had gone out with Moran several times and that they were in the habit of taking automobile rides. On one of these occasions he offered her a cigarette which she smoked and which promptly caused her to fall into a slumber.

Moran, she says, promised her that he would divorce his wife and marry her and so she continued to go about with him. She told of numerous clandestine meetings with Moran. Mrs. Francis Garcia, Alexander Garcia Jr., and Dr. William Talbert were the other witnesses questioned.

The case has created a considerable stir in and about Calexico, a warrant for the arrest of Antonio Escalante, Calexico boxer, having been sworn out on a charge of kidnapping. It is charged that Escalante and a Mexican official forced Moran across the border from Mexicali to Calexico at the time of his arrest.

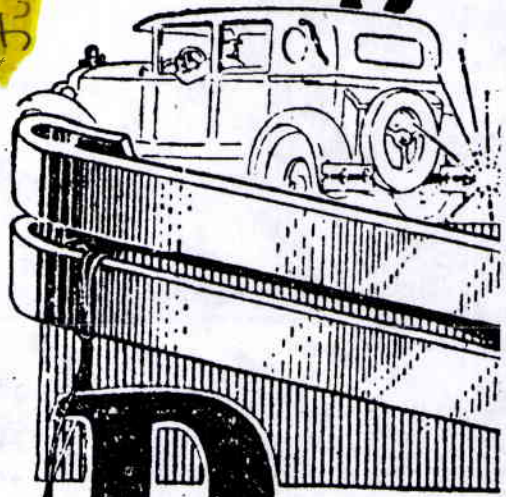

District Attorney Heald and Edward B. Law, deputy district attorney, were in charge of the prosecution while Alfred Blaisdell and L. J. Powers appeared in behalf of the defendant.
